Subject to your legal right of withdrawal and provided the appropriate premium has been paid, insurance coverage shall commence on the agreed commencement date, but at the earliest from the date of entry into the area of validity.

If the insurance is taken out before the start of the trip and at the latest on entry into Germany, insurance cover is also provided for countries outside the regular area of validity. This applies to countries that are crossed directly into Germany for a maximum of two days from the first border crossing.

DAXABEN BABUBHAI SAVALIYA has health insurance cover in the agreed area of validity from 15.09.2026 to 15.10.2027. If agreed, there is also insurance cover for accident, personal liability and deportation costs.

The risk carrier for health insurance is Generali Krankenversicherung AG. The risk carrier for all other insurance policies is Dialog Versicherung AG.
